

**New England Association
Of
Fire Protection System Designers**

AMERICAN SOCIETY OF CERTIFIED ENGINEERING TECHNICIANS

MEETING NOTICE

DATE: Monday, September 10, 2018
PLACE: Double Tree Westborough Hotel
Rt. 9, Westborough, MA
TIME: 5:30 PM Social Hour
6:30 PM Dinner

COST: \$45.00 at the door

MENU: Beef \$40.00 (Prime Rib!)
Chicken \$35.00
Pasta \$30.00

**INTRODUCTION TO FOAM SYSTEM DESIGN, APPLICATIONS AND AN
UPDATE TO THE CHANGES IN THE FOAM INDUSTRY RELATING TO THE
ENVIRONMENT**

Water based fire sprinkler systems alone may not protect you from all high risk hazards. You may need a fire suppression system that specifically addresses the hazard to assure proper protection. A system that can knock down fire quickly and keep it from spreading. The most effective solution for this hazard could be a foam-water sprinkler system.

Our presenter for this meeting is Jim Schwander. Jim is the Eastern Region Sales Manager for Solberg Foam Company. Solberg is a global one-stop resource for firefighting foam concentrates and custom-designed foam suppression systems hardware and accessories. Jim is responsible for East Coast sales and business development of foam agents and systems hardware in the US and eastern Canada. Jim entered the fire protection industry in the 1980's serving in various technical, sales and business development capacities for the Grinnell Corporation and The Ansul Company. A seasoned special hazards and fire sprinkler practitioner, Jim brings over thirty years' experience to solving high-hazard, high-risk fire solutions for industrial, institutional and commercial customers having started his career as a design and estimating project manager. Jim holds an Associate degree in Applied Science – Fire Protection Engineering Technology from Delaware Technical and Community College.

Please reserve for the September dinner meeting by Wednesday, September 5, 2018. Make checks payable to NEAFPSD and mail to NEAFPSD, P.O. Box 149, Wrentham, MA 02093-0149.
