!! NFPA 13 UPDATE !!

NFPA 13 has been totally re-organized complete with technical changes. This presentation will outline the new format of NFPA 13 including a new project structure and cover some of the more significant technical changes. The project is now managed by two Staff Liaisons: Chad Duffy and Dave Hague who will co-present this update.

Chad Duffy is a Senior Fire Protection Specialist with the National Fire Protection Association and holds a degree in Fire Protection Engineering Technology. He is NICET certified in Water-Based Layout and a Certified Fire Protection Specialist. Prior to NFPA Chad owned and operated a sprinkler design and consulting firm as well a sprinkler installation-contracting company.

David R. Hague, P.E. is Staff Liaison for the NFPA Sprinkler Project including NFPA 13, 24, 291, 11 and 16. Dave began his career designing sprinkler systems for the Automatic Sprinkler Corp of America. He has a total of 17 years in contracting, 15 years with the NFPA and seven years in the insurance business as Manager of the Engineering Technical Unit of Liberty Mutual Property. Dave is a Registered Professional Engineer in the State of MA and is NICET Certified in Sprinkler and Special Hazards Systems.
