COST: \$45.00 at the door  
  
MENU: Beef \$40.00 (Prime Rib!)  
Chicken \$35.00  
Pasta \$30.00

**WHY FIRE STOPPING IS SO IMPORTANT**

Most Contractors believe that if the space around a pipe penetration is caulked with fire stopping that's all they need to care about. Far too often proper fire stopping is overlooked to the detriment of life safety. Our topic for this meeting is a serious look at through penetration fire stopping. We will discuss product applications and techniques as well as the principles of passive fire protection, factors affecting fire stop performance, engineering judgement, the technologies used in developing fire stopping products and several other related topics.

Our presenter for this meeting is Bryan Moreau. Bryan is the founder of True North Marketing, LLC. True North Marketing has been in business since 2009 as an independent manufacturer's representative and trainer for 3M Fire Protection Products and other construction supplies. Bryan is a 3M Certified Fire Protection Instructor and he is a presenter recognized by the International Firestop Council. Bryan's territory covers all New England. His mission is to teach Firestop Systems and methods to everyone including Architects and Designers, Distributors, General Contractors, End User Installers, and Inspectors.

***Please note that this presentation will qualify all attendees as 3M Trained Installers and can be used if you need AIA (or NICET) Continuing Education credits.***

Please reserve for the November dinner meeting by Wednesday, November 13, 2019. Make checks payable to NEAFPSD and mail to NEAFPSD, P.O. Box 149, Wrentham, MA 02093-0149.
