### **Certification**

#### NICET CPD's:

NICET Certified Technician may accrue for 1 NICET CPD (Continuing Professional Development) point for each 55 – 60 minute technical seminar that is related to the advancement of their certification(s) toward their certification requirements.

#### ASPE CEU's:

ASPE CIPE designers may accrue 0.1 CEU (Continuing Education Unit) for each 55-60 minute technical seminar toward their certification requirements.

Please be punctual, sign in for attendance record. There will be a “school bell” drawing at the beginning of each seminar session. We will raffle off some of the many generous gifts we have received from our Affiliate Sponsors. You must be present and in your seat at the time of the drawing to be eligible to win the drawing. We will use the numeric sign in list of names that arrive on time to draw winning numbers from a hat at the close of the Speaker Topic.

If you are interested in receiving receipts for your attendance at any symposium we will issue your paper work to achieve credit for your attendance and CPD/CEU's.
