### **Certification**

#### NICET CPD’s:

NICET Certified Technician may accrue for 1 NICET CPD (Continuing Professional Development) point for each 55 – 60 minute technical seminar that is related to the advancement of their certification(s) toward their certification requirements.

#### ASPE CEU’s:

ASPE CIPE designers may accrue 0.1 CEU (Continuing Education Unit) for each 55 - 60 minute technical seminar toward their certification requirements.

Please be punctual, sign in for attendance record. We will raffle off some of the many generous gifts we have received from our Affiliate Sponsors. We will use the numeric sign in list of names that arrive on time to draw winning numbers from a hat at the close of the Speaker Topic.

If you are interested in receiving receipt for you attendance at any symposium please coordinate with Paul Catanzaro and he will issue your paper work to achieve credit for your attendance and CPD/CEU’s
